## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-20 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: Claims 1, 12 and 17 recite, inter alia, "a test probe comprising each contact device includes a bonding wire that is bonded to a first point and a second point on the test probe, and the contact point of each contact device is located on *the bonding wire that forms the contact device, between the first point and the second point.*" Applicant's arguments base on the above limitations overcome the office action mailed on 08/29/03.

### **Conclusion**

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
